25 years old wine outside the Saint Joseph appellation - partly at altitude on a 400 m plateau and young vines in the Saint Joseph appellation.

This Bouquet of Syrah is a crunchy wine, on the fruit, very fresh and easy to drink, it is eaten in summer as an aperitif like a rosé and accompanies your daily meals with a nice freshness.

2016 VINTAGE - A beautiful year that ends better than it started!

After a very rainy spring that lasts until the end of June, the grapes enjoyed a beautiful sunshine and an Indian summer; The harvest was rather late starting mid-September and ending mid-October.
